Pursuant to our conference calls earlier this week copies of each of the following are being sent to you today by "POUCH MAIL".

- Combined list of ingredients that have regulatory approval for cigarette usage
- Froggatt Report 4th Report of ISCSH
- Canadian List dated May 1985
- Regulations for Belgium through December 1985
- Regulations for France through November 1978
- Regulations for Germany through March 1986
- Regulations for Switzerland through May 1986

I have talked with the lady in David Rowland's office and asked her to stuff the Fax machine with paper in anticipation of receiving all of the above except the Froggatt Report. I trust that they have that.
